

# *Cannon's Acrobatic & Tumbling Studio*

## August 2021 - May 2022 Registration Form

### Studio Information:

- All new students will owe a \$50.00 enrollment fee per child to be placed in a class. One-time only fee with consistent enrollment.
- If your child wishes to discontinue classes at any time you must give a 30 day notice. Please do not drop without notifying me. Students who do not miss class and attend for the entire school year see the best progress.
- This session will run from August 2, 2021 through May 27, 2022 (excluding the holidays that are observed in the studio).
- Please call or text in advance if your child will miss class for any reason.
- Make up classes are available only if you call in advance and I have an open spot. Make up classes are not guaranteed.
- All students need to wear tight clothing and have their hair pulled back. Please make sure your child is on time and prepared for their lesson.
- This session begins August 2, 2021. You will be mailed a confirmation letter in July of your child's class day and time.
- Please complete and return as soon as possible as classes fill up quickly. Once classes are full you may be placed on a waiting list until a spot becomes available.

### MONTHLY TUITION INFORMATION

1 child per family \$90.00 per month

2 children per family or 2 classes per week - \$176.00 per month

3 children per family or 3 classes per week - \$264.00 per month
